**A LETTER FROM THE EMPIRE STATE VIRTUAL BRANCH

I would start by sharing with you **AAUW's 2021 election results** and to **congratulate Julia Brown, Malinda Gaul, Elizabeth Haynes, and Joseph Bertolino** for retaining their board seats. AAUW's public policy priorities were approved by **92%** of voters. Also, the ballot initiative to eliminate the membership requirement got **63%** of the vote, which was just below the two-thirds majority needed to enact a bylaw change.

I am pleased to share with you that on **Saturday, April 17th, 2021**, the Empire State NYC Branch, and the Westchester Branch conducted our **first EYO Virtual Conference via Zoom** with the help of the staff of the College of Mount St Vincent in the Bronx. We entertained **seven virtual workshops with an excited group of 7th and 8th grade girls** who participated via zoom. **Dr. Susan R. Burns, President of the College of Mount Saint Vincent welcomed all the conference participants.** I would like to personally thank the hard-working **EYO Planning Committee members including Lorrin Johnson, Kit Voit, Susan Appel, Barbara Sarver, Carol McMillan, Cynthia Plater and Susan Gardner** along with the staff of **CMSV Dawn Velez and Manny Diaz.** Special thanks to the workshop leaders who generously volunteered their time and talent. Also, a very special thanks to all students, especially those from the **Fordham STEP program and Vista Academy** who participated this year.

We at the Empire State NYC Branch continue to promote pay equity and education for women and girls! On Tuesday, May 4th, 2021 one of our distinguished speakers was Jacqueline Ebanks, Executive Director, Commission on Gender Equity, Office of the Mayor, The City of New York.

Jacqueline shared with us how the **Commission on Gender Equity** worked on multiple fronts to achieve gender equity for all New Yorkers within and across its three focus areas: Economic Mobility and Opportunity; Health & Reproductive Justice; and safety –as laid out in its 2018-2021 Strategic Plan. Suzanne DeChillo/photographer, The New York Times Annie Houle of the WAGE Project uses \$1 bills and play money to show men's pay advantage over different groups of women. Her program teaches women how to negotiate for better salaries.

Did you see the article on the wage gap on the front page of the business section of the New York Times? If you haven't read the article, click on the link below for details:

AAUW StartSmart Salary Negotiation - NYIT

My Start Smart AHA moment was when I realized that I could have gotten a much higher salary during the role playing exercise. I feel that instead of taking the employer's word, I should have negotiated more; now I know better! I really enjoyed the workshop and I learned quite a bit. I want to thank you and everyone involved for taking the time to share this very valuable information with us.

Maryam Khan, NYIT Student

YOU ARE YOUR OWN BRAND

Who are some of the recipients who have received AAUW Fellowships or Grants in 2019-2020?

AAUW provides the largest fellowship program and the oldest non-institutional source of graduate funding for women in the United States. Here are some the recipients in 2019-2020.

2019-20 American Fellow Kelsey Lewis

AAUW American Fellowships support women scholars who are pursuing full-time study to complete dissertations, conducting postdoctoral research full time, or preparing research for publication for eight consecutive weeks. Applicants must be U.S. citizens or permanent residents. Candidates are evaluated based on scholarly excellence; quality and originality of project design; and active commitment to helping women and girls through service in their communities, professions, or fields of research.

2019-20 Career Development Grantee Samentha Gunn

Career Development Grants provide funding to women who hold a bachelor's degree and are preparing to advance or change careers or re-enter the workforce in education, health and medical sciences, or social sciences. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

Ask the President Cont'd. on Page 5

Ask the President Cont'd.

2018-19 Community Action Grantee Marisa Madison

Community Action Grants provide funding to individuals, AAUW branches and AAUW state organizations as well as community-based nonprofits for innovative programs that promote education and equity through projects focused on encouraging girls to select, before entering college, the physical sciences or engineering as a career.

AAUW 2010-11 International Fellow Sandhya Sanduja

To create lasting support around the globe, AAUW awards grants to International Fellowship alumnae who have returned home after successfully completing the course of study for which they received funding. These grants allow alumnae to build on their academic work and implement community-based projects that will improve the lives of women and girls.

2019-20 Research Publication Grantee May Abdelaziz

These grants are open to women scholars conducting basic research in engineering, medicine or the physical or biological sciences and who have a doctorate degree in one of those fields. The grantee must publish their research in a scholarly publication and be listed as a primary author.

2019-2020 Selected Professions Fellow Jenny Trieu

Selected Professions Fellowships are awarded for the following master's programs in Architecture; Computer/information sciences; Engineering; and Mathematics/statistics.

Diversity and Inclusion

Diversity is critical to AAUW's mission. Issues of equity — from fair pay to sexual assault to access to health care — affect all women, and women in marginalized

groups often disproportionately experience the effects of these issues. To succeed in empowering women and girls, we must have diverse voices contributing different perspectives.

AAUW Applauds Passage of The Paycheck Fairness Act

By passing this important bill, the House of Representatives has demonstrated its commitment to the economic security of American women and their families. We know there is a pay gap for all women, at every age, in every part of the country, and in nearly every industry. The gap has closed by less than a nickel in the 21st century, and it's obvious that something needs to be done to ensure families can thrive.

"The Equal Pay Act of 1963 was a powerful first step, but the law has been weakened over time as the workforce demography has changed. We need new tools to fight discriminatory pay practices, and we need effective incentives and assistance to help employers comply with the law. The Paycheck Fairness Act provides these tools by closing loopholes in the Equal Pay Act and putting new protections in place for the benefit of all American workers. Its passage is long overdue.

"AAUW commends Representative Rosa DeLauro (D-Conn.) for her leadership on this bill for over 20 years. We urge the Senate to follow the House's lead and act now to pass the Paycheck Fairness Act. We can't wait any longer for equal pay."

Mary C. Hickey, AAUW

YOU CAN: GIVE WOMEN TOOLS TO NEGOTIATE THEIR SALARIES

Did you know that 57% of men try to negotiate their salary, but only 7% of women do?

HOW CAN YOU PROVIDE WOMEN WITH THE SKILLS THEY NEED TO NEGOTIATE TO HELP CLOSE THE GENDER PAY GAP?

THE ANSWER: You can spread the word about the **FREE** AAUW salary negotiation workshop course "**WORK SMART ONLINE**" at <https://salary.aauw.org/>. It is a complete computer course, comprehensive, amazing, informative, and worthwhile. It gives women the tools they need to negotiate for better salaries and benefits. They'll learn the market value of their skills and experience; be able to determine an equitable "target salary"; and have more confidence and better negotiating skills to ask for and get the pay they deserve.

Do contact family, friends, and acquaintances who would benefit from taking this **FREE WORK SMART ONLINE** class and encourage them to us it and to tell others about it.

AAUW LEADING THE WAY TO GENDER PAY EQUITY!

Public Policy

AAUW Public Policy Priorities!

AAUW's mission is to advance gender equity for women and girls through research, education, and advocacy. The work of AAUW builds upon responsible public participation, and the following priorities provide a basis for AAUW members' actions at the local, state, national, and international levels.

Implicit in each is support for government agencies administering programs, including adequate appropriations, effective and accountable administration, and provision for citizen participation. AAUW advocates public discussion to ensure enlightened decisions on these priorities. AAUW works to increase the number of women and other underrepresented populations in policy- and other decision-making positions.

AAUW's positions are shaped by its commitment to being nonpartisan and fact-based, and to acting with integrity. AAUW strives for its work to be inclusive and intersectional, collaborating with diverse allies and coalitions to achieve equity for all. Basic to all of AAUW's public policy efforts is the understanding that true equity requires a balance between the rights of the individual and the needs of the community.

AAUW opposes all forms of discrimination and supports constitutional protection for the civil rights of all individuals. AAUW believes that high-quality public education is the foundation of a democratic society and the key to improving economic prosperity and gender equality.

AAUW advocates equitable access to education and climates free of harassment, bullying, and sexual assault. AAUW supports academic freedom, civic education, protection from censorship, bias-free education, and responsible funding for all levels of education, including early childhood education and programs for students with disabilities.

AAUW advocates for increased access to higher education, especially for women in poverty, and promotes equitable efforts to close the persistent achievement gap that disproportionately affects low-income children and students from communities of color. Diversity Director Anita Nahal

Congratulations to our Diversity Director, Anita Nahal, Ph.D.

on her most recent release of the American and Indian editions of my new nursery rhymes book, **Cashew, Vashew & Other Nursery Rhymes!**

Rhymes in the book are universal and would appeal to children all over the world. Some have been selected from my previous two books of nursery rhymes published way back in 1993 when my son was growing up. Anita's motherly experience with her son

prompted her to write the rhymes originally as she didn't wish to have him learn only the known ones. Some in the new book are based-on Cashew our furry family member!

The book was released just in time for Christmas! This creative book is a great gift for children's birthdays and everyday gifts! Beautifully and realistically illustrated with truly eye-catching images by Anjali Bhardwaj. Please check these out and order your copies for your kids, grandkids, students and feel free to share the links with those who have kids or teach in schools or work in libraries.
